

THAMES-SIDE
STUDIOS

Open Studios Weekend 9-10 June 2018

You are invited to our 2018 Open Studios weekend 9-10 June, 12-6pm

Thames-Side Studios is the largest single-site studio provider in the UK. With nearly 500 studios we are home to an impressive array of artists, makers and designers, and this is a unique opportunity to meet them, talk about what they do, and to buy directly from their studios.

Painting and drawing, fashion design, carpentry, jewellery, millinery, photography, printmaking, ceramics, sculpture and installation, tailoring, leather work, picture framing, stained glass making, writing, upholstery, illustration, shoe making, textiles, conservation and restoration, lutherie, graphic design, furniture making, film and video, skin care, architecture, wood working, laser cutting, clock making, product design, book binding, and much more. For workshops, children's activities, circus arts, demonstrations and exhibitions this weekend see our website and social media.
